

Data Sharing and Intellectual Property Protection Policy

Last updated January 18, 2024

1. Data Sharing

1.1 Purpose of Data Sharing

HIZITIV, a software development team located in Germany - Frankfurt am Main, Turkey - Ankara and Switzerland - Zurich, is committed to building awareness, fostering community relationships, and contributing to business growth. This policy outlines the terms under which data is shared for the mentioned purposes.

1.2 Project Sharing Authorization

By accessing our services or platform, you grant HIZITIV permission to share project details for the purpose of community building, business relationships, interest building, and job offerings. It is explicitly stated that HIZITIV will not use this data for internal purposes, copying, reproducing, or replicating any aspect of your business idea, model, brand, lightpaper, whitepaper, website data, services, technology, logo, etc.

2. Intellectual Property Protection

2.1 Ownership

All intellectual property, including but not limited to business ideas, models, brands, lightpaper, whitepaper, website data, services, technology, logos, etc., remains the exclusive property of HIZITIV.

2.2 Restrictions on Use

Any data shared by users or partners is strictly for authorized purposes mentioned in Section 1. Any unauthorized use, reproduction, or copying of intellectual property is expressly prohibited.

2.3 Prohibited Actions

Users, partners, or any third party are explicitly prohibited from using HIZITIV's intellectual property for their own purposes, including but not limited to replicating the business model, brand, technology, or any identifiable elements.

2.4 Enforcement of Restrictions

HIZITIV reserves the right to enforce these restrictions through legal means, seeking damages for any unauthorized use or infringement on intellectual property.

2.5 Reporting Unauthorized Use

Users are encouraged to report any unauthorized use or infringement on HIZITIV's intellectual property promptly.

3. Confidentiality and Non-Disclosure

3.1 Protection of Confidential Information

All information shared within the scope of this policy will be treated as confidential and not disclosed to any third party without explicit consent, except as required by law.

3.2 Non-Use for Personal Gain

Users and partners are strictly prohibited from using shared information for personal gain, including copying or reproducing business ideas, models, or any intellectual property belonging to HIZITIV.

4. Compliance and Amendments

4.1 Compliance with Policy

By using HIZITIV 's services or platform, users agree to comply with the terms of this policy.

4.2 Amendments

HIZITIV reserves the right to amend this policy as needed. Users will be notified of any changes, and continued use of services implies acceptance of updated terms.
